BULLETIN FINANCIER

LYON

La séance a montré une excellente tenue, la hausse a persisté sur l'ensemble et on a l'air de croire à la continuation du mouvement. Nous persistons à dire qu'on va trop vite et nous ne pouvons croire que cela dure bien longtemps. Pour expliquer cette hausse, aussi brusque qu'irrégulière, on nous répète que l'argent est abondant, nous le savons bien, les Sociétés de crédit en regorgent et s'en servent, depuis le 20 février, pour passer, en douceur, le paquet qu'elles ont ramassé, au moment de la panique.

Le 3 0/0, ex-coupon de 0,75, de 98,40 a fait 98,35, pour clore à 98,425.

L'Extérieure de 88,30 a touché 88,20 pour finir à 88,45. Le Change valait 38. Le Turc unifié de 88,35 a fermé à 88,50. La Banque Ottomane de 590 a fini à 589,50. Le Rio-Tinto a débuté à 1400 pour faire 1401 et finir à 1410. Dont 20 au 20, 1410.

D'aucuns croient à un acompte de 32

schellings, 6 p. comme en novembre 1903, d'autre à 35 schellings, 6 p. Nous avons déjà dit que le New-York Herald annonçait 75 schellings de dividende pour 1904. La hausse du Rio-Tinto nous paraît encore certaine.

La Briansk a ouvert à 370 pour coter 365 et finir à 370. Nous répétons qu'on va beaucoup trop vite sur cette valeur, en admettant même la meilleure situation de l'affaire.
